

ARMORED CAR WILL FOIL AUTO BANDIT

New Vehicle Will Render High Powered Machines Useless to Underworld.

The use of high-powered automobiles by bandits, daily thefts of pay-rolls, the apparent daring use of firearms by hold-up men, and the inability to prevent crime committed by highwaymen, has forced corporation executives to seek a solution to a very menacing problem, and an answer has been found in a special type of armored car, according to J. D. Farneman of the Farneman-Tasher Motor Co.

"While the underworld is scheming new robberies, with ensuing loss of life, the heads of big corporations in the East were facing a critical situation, augmented by the impending raising of rates of protective insurance," says Mr. Farneman.

"But insurance only covers the actual cash loss, leaving unprotected and no return of the vast amount of energy needed in restoring lost records."

"A logical solution of the problem has been found in the armored Speed Wagon, engineers turning their attention to this war-time device as the only hope to cope with present day conditions. Speed is essential, stability of construction without excess weight, and yet the car must offer the maximum efficiency."

"The result of these conferences is a practical type of armored body mounted on a chassis of dependable construction and proven merit. One of these armored cars, carriers, is seen daily in the service of the Delaware, Lakawanna and Western railroad and the body was built in accordance with the ideas of Major Francis H. Schoeffel, head of their secret service and police department."

FIND WOMAN'S BODY AFTER LIQUOR ORGY

CHICAGO, May 25.—The nude body of an unidentified woman, beaten and with a strangling rope around the throat, was found in a West Side lodging house today.

Police immediately rushed to the scene in a search for the slayer. Half an hour later six men living in the building were seized and taken to headquarters for questioning. The room in which the body was found was disarranged. One theory of the police was that the woman had been lured into a "moonshine" orgy which ended in her slaying. In the neighborhood it was stated that the woman was known only as "Rosie."

UNCLE JOE'S TIP CAUSES DETROIT'S SOLON TO RETIRE

WASHINGTON, May 25.—"Don't run for congress until you have made your pile; wait until you've got a sure income." That's the advice of Uncle Joe Cannon, for 46 years a member of the house, who retires this year. He handed it today to Rep. Vincent Brennan of Detroit, who came to ask Cannon's advice about running again or going back to private law practice. After a talk with the oldest member of the house, Brennan, the youngest member, decided he would quit congress after this session.

CUTICURA HEALS ECZEMA ON CHILD

On Face and Neck. In Pimples. Itched and Burned.

"When my sister was ten months old eczema broke out on her face and neck in small pimples, which spread rapidly. It itched and burned so she was unable to sleep, and her body was a mass of sore eruptions. She had to be carried around on a pillow."

"A friend recommended Cuticura Soap and Ointment and after using one cake of Cuticura Soap and one box of Cuticura Ointment she was healed." (Signed) Mrs. J. S. Smith, Box 118, Lakota, No. Dakota.

EXPECT WILSON TO ENTER INTO POLITICS

WASHINGTON, May 25.—Woodrow Wilson today gave further support to the growing belief here that in the coming congressional campaign he will fight his enemies and support his friends.

Following his letters attacking Sen. Reed, Missouri, the former

president has written a letter to B. B. Berman, of Raleigh, Indoring Rep. Pou, of North Carolina, for reelection to congress.

"In my judgment his retirement would be a serious loss to the party and the country," Wilson said in part.

In a hot dispute, he argues best who says the least.

UNUSUAL FOLK

GRAND RAPIDS, Mich., May 25.—Until last week Katherine Van Dyke, 18, never went to a movie show because her father objected on moral grounds.

Then he relented and she attended her first show. Now she says she doesn't care to go again!

"My curiosity has been satisfied," she says. "The movie was splendid and thoroughly enjoyable. When I reached home I was a trembling from the tension."

MISS VAN DYKE was in which I held myself.

Miss Van Dyke doesn't read novels either.

Cupid Waits Until June 1 to Cast His Lot of Darts

Persons who have listened to the whisperings of Cupid have evidently decided to wait a while before accepting the suggestion that there is no time like the present. Up to noon Wednesday no one had applied at the county clerk's office for license to wed.

It was suggested that those con-

templating the matrimonial step have decided to enter the June bride contest being held by The News-Times.
